

HomingGame Mega Mini Plush Toy Claw Machine

High-Profit Arcade Solution | Space-Saving Design | 100% Factory Direct

Product Overview

Maximize your revenue per square foot with the HomingGame Mega Mini Plush Toy Claw Machine. Engineered for high-traffic, limited-space environments, combining sleek cabinet design with reliable hardware. Perfect for malls, arcades, restaurants, cinemas, and vending businesses.

Why Choose the Mega Mini Series?

- Optimized Footprint: Compact design for limited spaces.
- Intelligent Claw System: Adjustable strength & payout ratio.
- Ultra-Bright LED Attraction: RGB lighting increases play rate.
- Durable Construction: Tempered glass & reinforced metal frame.
- Easy Maintenance: Front-access door & modular components.
